This lovely home is tastefully furnished and positioned in a lovely quiet area, near walking tracks. The contemporary kitchen includes modern appliances including a dishwasher, 900mm gas cooktop and electric oven, and has plenty of storage. Off the living room there is direct access to the wonderful outdoor undercover living space which looks over the enclosed back yard. The main bedroom has walk in robes and ensuite, whilst the next 2 bedrooms have BIR's. The rear or 4th bedroom has flexible uses and could be an office/2nd living area. The house is heated by ducted gas heating and cooled with evaporative cooling. The double garage with remote controlled doors completes the home with direct access inside.
