This bright, stylishly appointed residence enjoys the exclusivity of absolute water frontage. Pleasing proportions define downstairs spaces including light-filled living and separate central dining domains. To the rear, positioned to make the utmost of the water views, additional living/meals areas accompany an open-plan kitchen featuring walk-in pantry, stone surfaces and stainless steel appliances. The master bedroom features a majestic balcony, En suite and WIRs that set the tone for three further bedrooms that feature WIRs and En-suites, one with its own balcony, served by spacious central bathroom. Ducted heating, evaporative cooling, downstairs laundry, powder-room and remote double garage add fine finishing touches to brilliant spaces.
