Offering a larger floorplan than most and sitting on a fantastic size parcel of land measuring 598m<sup>2</sup> (approx.) is this delightful brick veneer home. Bigger families will love the extra space that is on offer including four good size bedrooms all with built in robes and serviced by two bathrooms. A spacious L-Shape living/dining room features polished timber floors and sits adjacent to a wonderful kitchen that boasts an abundance of cupboards and bench space. Outside there is a long driveway leading to a carport and garage, covered pergola which is a great place to entertain family and friends no matter what the weather and proudly maintained gardens at both the front and rear. Extra features include ducted heating, evaporative cooling, study nook, manicured gardens and so much more. Ideally located with local schools, shops and public transport all close by. Inspection is highly recommended.
