Properties of this calibre, presented in such a pristine state and with such an elite location are rare finds. Here at 16 Ritter, the option of living with an outlook over the picture-perfect 1st fairway of the Murray Bridge Golf Course is on offer, with a home that has so much more than normal and is as neat as a pin. Features including 3 large bedrooms adorn this double brick property, all with built-ins, the bathroom is neat and modern, country styled kitchen with ample cupboard space, two large living areas and a separate dining area all roomy in size and comfort controlled with ducted evaporative A/C and gas heating. Outside the garden is the pride of the street, with an enclosed veranda/entertaining area at the rear, single carport under the main roof and a double carport adjoining the large shedding, grand enough for the boat, caravan or whatever essential toys that need shedding. Perched on a massive block for these days of 1013sqm, with nothing to do but move in and enjoy the view, which is special in itself. This sort of living is the envy of all and this property promises a great place to live, as the current owners discovered many years ago. Not to missed out on.
