Coveted for its placement moments from Salesian College, Chadstone Shopping Centre and transport, this lovingly maintained family home inspires your renovation or redevelopment ideas on 632sqm approx. (STCA). Inside, the home's traditional floorplan performs well and highlights a cozy lounge and dining room with polished floorboards and ceiling fan, while a spacious meals/family room sits beside the central kitchen equipped with stainless steel appliances, corner pantry and a breakfast bench. Outside, a wonderful alfresco deck is perfect for entertaining, while those with children and pets will love the backyard where you'll find a generous lawn area, gazebo and paving - ideal for riding the scooter, bouncing a ball or dunking some hoops. Accommodating the growing family are four well-proportioned bedrooms, including two with built-in-robos, serviced by a bright family bathroom with toilet and a skylit powder room. Furthermore, the home boasts a laundry, gas ducted heating, split system air conditioning, single garage plus a driveway parking space.
