Perfectly positioned with the best of Airport West at your fingertips, this stunning new 3BR home delivers an environment of easy-living excellence thanks to its creative design elements and first-class features throughout. Meticulously detailed, the home's refined interior showcases a master bedroom with fitted WIR and deluxe ensuite, as well as 2 additional bedrooms with fitted BIRs, equally-stylish main bathroom with freestanding tub and separate powder room. Adding to the appeal is a dedicated study zone with custom-built workstation and light-filled open living/dining area complemented by a superb kitchen with large walk-in pantry, fridge water point, Bosch cooking appliances (900mm) and dishwasher. Quality at every turn, this remarkable home also includes a large laundry and linen storeroom, split-system heating/cooling (x4), alarm, video intercom and keyless entry, high square-set ceilings and stone benchtops throughout, as well as floor-to-ceiling tiles, brushed bronze tapware, rain-head showers and back-lit vanity mirrors to both bathrooms. Completing the picture is a sunny north-facing backyard including alfresco-style entertaining area with pergola and high fences for privacy, plus an internally-accessed garage (remote-control) with epoxy flooring and additional driveway parking space. Moments from the bus stop along with McNamara Avenue cafes and shops around the corner, it's also walking distance to Matthews Avenue trams, local schools and kinder/childcare facilities, as well as easy access to Westfield Shopping Centre and a choice of freeways.
