Set in a well-established, tree-lined street, just steps from the sprawling parklands and walking trails along Yuroke Creek, this neat and well-presented family home is the perfect starter for those looking to step into home ownership, and also a fantastic option to expand any investment portfolio. The separate entry opens to a living room on one side, and a bright galley kitchen with meals area to the other. Three ample bedrooms (two with built-in robes) offer comfortable accommodation, a central bathroom services the home with a separate shower and bath tub, and there's a full size internal laundry. The huge backyard is a great space for kids and pets, with a couple of handy garden sheds, and a tandem carport at the end of the side driveway provides ample off-street parking. Split system heating and cooling keep you comfortable and secure. Located just a 10 minute walk from Bethel Primary and a quick drive to the shopping centre, with public transport, reserves, dog parks, skate park places of worship and major arterials all close by.
