The crowning glory of this wonderful home is definitely the gorgeous view across the treed valley to the east, but that is far from all this inviting light filled home has to offer! Fabulous car accommodation ideal for a tradie including double carport and large shed/mancave/rumpus with space to park two vehicles plus workshop accessed via driveway that extends into the backyard, huge 1187m² (approx.) block beautifully landscaped and designed for entertaining with deck off the dining space and large paved area beneath festoon lights and sunny three bedroom home showcasing exposed beams adding a touch of character and a semi open plan layout. A spacious lounge opens to adjacent dining area/sunroom highlighted by stunning treed view beyond the backyard. Flooded with natural light, cooking's a joy in the well appointed kitchen with an update that adds loads of storage and generous bench space. The home is supported by neat bathroom, full laundry, separate toilet, gas ducted heating, air conditioner and ducted vacuum including in the shed along with a wall of built in storage cabinets and toilet. A relaxed lifestyle close to nature awaits only a short drive or walk to town centre shops, cafes and other amenities, schools, reserves and the Warburton Trail and just a little further to Lilydale and Mooroolbark shopping and stations.
