Bright, contemporary spaces, flexible living areas, as new presentation and easy to live with garden spaces. If you're after an effortless family lifestyle just minutes from shops, schools and parklands, this spacious single-level home could be the answer! With four bedrooms, two bathrooms, and a choice of living areas, family harmony prevails. What's in it for me? No-mow turf at the rear and easy-care landscaping at the front frees up your weekend. The primary and secondary schools are next to each other, making it a one-stop drop-off (on the days the kids don't want to walk, that is). There's a choice of early learning centres close by. The peace of mind of the remainder of the builder's warranty. Single level from the front door to the rear yard makes it ideal for all ages living. It's an easy walk to the cafes, eateries and shopping choices of Aurora Village. The year-round comfort of ducted heating and cooling. Stone finishes to the kitchen look great and make clean up easy, and the 900 mm oven is ready to cope with any family event. A remote door and internal access to the garage delivers security and all-weather convenience.
