Phone Enquiry ID: 226433 Located a short walk from Fairview Primary school and on a massive 1214sq meter block which is zoned R15, this home gives all the scope and options for those who are looking for a versatile block for that extra big shed or parking. The cozy 3-bedroom house is about 60 years old and built forward on the block with access through double gates behind the car port to the entire back garden. The back is like a large private park and has a 3 x 3 mt shed. It is an ideal property if you have dogs since it is well fenced. The full width front verandah is completely private and makes an ideal entertainment or relaxing alternative to the lounge. There is a big country kitchen with a pantry. The bathroom includes the laundry space. There are ceiling fans as well as air conditioning. The bedrooms are arranged down one side of the house. Please phone for an inspection if you can't make it for the home open.
