This home is set in a private enclave of prized holiday homes, backing onto an old vineyard, and is only an hour's comfortable drive from the capital city of Adelaide - with stunning views over Carrickalinga to Yankalilla Bay. Floor to near ceiling windows run the length of the home on the ocean side, making for beautiful views and amazing sunsets - also allowing an abundance of light to flood the home. Large sliding doors open out to the decked balcony, making a seamless transition to alfresco living. Featuring three generous-sized bedrooms the master bedroom accommodates a queen-size bed, ceiling fan, built-in robe, and stunning ocean views. In the heart of the home, you will find the open-plan layout offering views from all angles. Complete with a fully appointed kitchen with all electrical appliances including a coffee machine, dishwasher, and breakfast bar. Enjoy the tranquil surroundings with the distant sound of crashing waves and animals wandering the rolling hills. Carrickalinga has a striking stretch of coastline where the rounded hills of the Fleurieu Peninsula plunge down to the sea, ever-changing surf and a township squeezed between the hillside and the pristine dunes. The beach is strikingly clean with clear water and fine white sand. It is a very popular beach for families, especially loved by children who explore the ever-changing rock pool formations and watch keenly for a passing pod of dolphins. There is no shortage of local activities. It is only a 5-minute drive to Normanville and to the Links Lady Bay Golf Course featuring fine dining for lunch or dinner. Another 10 minutes further south you will reach Wirrina Hotel and Golf Course, where you will likely share the course with kangaroos. There are also several local wineries boasting a broad selection of wines to taste, plus the popular Smiling Samoyed boutique brewery at nearby Myponga. Fishing and diving are also very popular in this area or you can enjoy horse riding along the beautiful Normanville Beach. Spend a day on the water with one of several local Fishing Charters and indulge in freshly-caught King George whiting for dinner.
