\$699,000

Representing a fantastic opportunity, this corner location was once home to a very popular dine in and takeaway business, with attached 3 bedrooms residence. The business has recently closed its doors due to retirement, but everything is still in place, ready to go should you wish. Located on a busy corner close to The Spirit of Tasmania ferry terminal, dozens of local businesses and hundreds of local residences, the location is perfect for constant traffic. The residence portion includes a updated residential kitchen and bathroom, 3 bedrooms, and a large lock up back yard with workshop. Note that the business has stopped trading and is not for sale, but everything is ready to go for the next owner. For more information on this fantastic opportunity contact 4front Real Estate today.
