\$1,200,000

Step past the manicured garden entrance and be immersed in a stylish haven dedicated to relaxation and entertainment. Poised on approximately 935sqm, this tastefully renovated property comprises everything a family could desire, showcasing spacious living and poolside entertaining. Nestled in the sought-after Alpine precinct, it is situated close to reserves, playgrounds, trails, bus stops, kinder and childcare facilities, St Richards, Kilsyth and Montrose Primary Schools, Yarra Hills and Billanook Colleges, Churinga shops and Montrose Village. Only a short drive to the bustling shopping and transport hubs of Croydon and Mooroolbark.- Flaunting contemporary style on a stunning scale, every room within is well-sized, well-lit and enhanced with new carpet, polished hardwood floorboards or concrete-look tiles- The entrance hall is beautifully bordered by an expansive lounge and dining room with a gas log heater, a designated study and the master suite which boasts twin sliding mirrored wardrobes and a luxurious en suite that features floor-to-ceiling tiles, a twin-head walk-in shower with a niche, a twin-basin stone-top vanity, twin mirrors, a heated towel rail and toilet- Making your way to the hub of the residence, an open plan family meals area is anchored by a statement kitchen with a large breakfast island. It contains stainless steel appliances, an abundance of storage and Caesarstone countertops- Open the sliding door and private outdoor time can be enjoyed on the covered deck. It features lighting, bistro blinds, a heat lamp and sweeping views over the pool and towards the city and surrounding hills- A staircase provides easy access to the solar heated pool, which is wrapped in decking and embraced by child and pet-friendly lawn areas- Back inside, the rear wing of the residence comfortably houses two more bedrooms with built-in wardrobes and a divine bathroom that matches the style of the en suite, with the inclusion of a freestanding bathtub- The ground floor of the residence can be accessed from the family meals area or a vine-wrapped pergola that adjoins the pool area- A retreat for teens or in-laws, the ground floor features a large rumpus, fourth bedroom with built-in robes and a third bathroom- A laundry and a remote double garage complement the impressive floorplan- Quality extras consist of ducted heating, evaporative cooling, new window furnishings and generous storage including a huge under-house area
