This air-conditioned home is located at the end of a quiet cul-de-sac in a bushland reserve environment. The home's living areas are of an open plan design with sliding doors leading out to a large deck overlooking the valley. The kitchen boasts plenty of cupboards, double sink and electric stove. Each of the light, airy bedrooms have built in robes close to a centrally located bathroom featuring a roomy bath, shower and separate toilet. The rumpus room is an ideal children's indoor play area or could possibly be used as a home work space or multipurpose room. The back yard is near level, with a full steel frame garden shed on its own concrete slab. Close proximity to schools, nursing home, shops and sporting fields. Ideal home for young families or elderly folk looking for a home without stairs. Land Size 618m²
