\$310,000

Charming 2 - Bedroom Timber Home with Creek Views and expansive Undercover Shed. Nestled in a serene setting, this captivating two bedroom, two - bathroom timber home offer the perfect blend of rustic charm and modern convenience. Elevated to capture the natural beauty of its surroundings, the property features a spacious veranda overlooking tranquil creek, setting the stage for relaxing mornings and peaceful evenings. At the front, a large undercover shed provides ample space for projects, storage or parking, making this home a have for nature lovers and hobbyists alike. Underneath the house you will find another bathroom and toilet and lockable storage area. This home is a must see with recent renovations completed.
