Situated in one of Huntingdale Park's most sought after and elevated locations, 16 Tressider Close is an impressive family home which offers the best of Berry, with high quality finishes, attention to detail and stunning wow factor. With a 'chic' Berry feel from the facade to the back entertaining deck with iconic Berry escarpment views, the home offers seamless indoor/outdoor living combined with an abundance of natural light and open spaces. The statement piece of the property is the stunning open plan kitchen and living space at the rear of the home. With raked ceilings, a modern country kitchen, feature lighting and over-sized glass sliding doors leading to the entertaining deck and pool area and mountain views beyond, this incredible space is sure to impress. Inside, there are four well-proportioned bedrooms, each with built in robes, master with spacious ensuite and large walk in robe. The family bathroom is built with function and design in mind, with a beautiful freestanding tub and a separate toilet. The large study nook offers the ability to work from home or provides a dedicated space for homework. Beautiful blackbutt timber flooring, Caesarstone benchtops & quality appliances complement this beautiful family home. There is an abundance of storage throughout the home with a large walk in pantry, double garage with internal access and an array of under house storage options. The backyard features a large entertaining deck and a picture-perfect pool area with in-ground pool, all whilst leaving space for a low maintenance grassed area for the kids or pets to play. The lifestyle that this property affords is second to none and is all only a walking distance to Berry CBD, cafes, restaurants, schools and public transport. This home truly stands out as one of the highest quality builds in Berry, with every detail of the design carefully considered to make the most of the block.
