In a beautiful, leafy street, this modern full brick family home offers multiple living areas that would ideally suit a large family that love to entertain. With a versatile floor plan this 4-bedroom, 3 bathroom property offers modern living while still invoking a sense of comfort and warmth throughout. Expertly crafted to blend with its natural surrounds. The property's elegant resort-like feel is accentuated by a well designed gourmet kitchen, the elegant bathrooms, and the open plan living, dining and kitchen area that so easily flows out to the alfresco dining area, level rear yard and heated, in-ground pool. Highlights include:- Grand entry foyer featuring double heights ceilings - Flawless design offering multiple living areas- Full brick construction, high ceilings, home cinema - Oversized master bedroom with walk-in robe and ensuite - Heated in-ground swimming pool, ducted air conditioning through-out Capturing northerly sun this beautiful home is perfect for grand-scale entertaining in the Hurstville market.
