There's all the space, light and comfort a family could ask for along the high point of Whalley Dve's meandering streetscape. From its elevated position, the home rises to attention amid beautiful rose gardens and a sweeping front verandah. With west facing frontage and north facing living rooms, the magnificent family setting wraps you in light from almost every angle – with complete comfort assured by ducted heating, spit system cooling and a slow combustion wood heater in the rumpus. The generous double-storey floor plan offers much-needed space for the family with 3 living areas and 5 bedrooms including a bedroom on the ground floor which might serve as a private office or study room. A spacious kitchen with a double oven overlooks the tiered rear garden – landscaped with a lawn terrace, paved undercover al fresco area and established fruit trees and grapevines – for a sense of Mediterranean style outdoor living. With so much space to enjoy both inside and out, this is an inviting property that gives you great proximity to shops, schools and parks including St Justins Catholic Primary, Caulfield Grammar, Wheelers Hill Shopping Centre, Columbia Park, Mulgrave Football and Cricket club, and the popular picnic grounds of Jells Park.
