\$355,000

A great opportunity exists to purchase a very neat and solid home in a sort after location with great views and cool breezes. The house is solidly constructed from hardwood and Cypress pine. Full concreted underneath, with legal headroom to build downstairs. 3 good sized bedrooms have built-in cupboards ceiling fans and two with air conditioners. Open plan lounge with the well maintained kitchen off to one side Bathroom and separate toilet service these areas Side access on a 630sm block Retaining walls have been constructed to gain the maximum advantage of the elevated block. It is very central and in a quiet location, close to all major shopping center's and schools. Currently tenanted until August 24
