This home has some beautiful history, built in 1952 and whilst renovated as we mentioned, you can still enjoy some charm and quirks of a home built "back in the day" where calm and relaxation come to mind. The kitchen features a Fisher & Paykel fridge/freezer, dishwasher, oven & induction cooktop with under-mount rangehood. With an open-plan kitchen and dining, the space is perfect to cook and unwind with your loved ones! The home features a mix of polished floorboards, Italian tiles, and wool carpets. No expense has been spared. Both bedrooms have built-in wardrobes and block-out blinds for a restful sleep. The bathroom has a walk-in shower, stunning wall-hung vanity, and heated towel rail for additional comforts. The laundry also hosts a quality Fisher & Paykel front load washer/dryer combo that fits perfectly in the space provided. The yard is fully fenced & secure with monthly garden maintenance included in your rent - one less thing for you to do! Please note there is a separate garage on site, however this is excluded from the tenancy. Off-street parking in one of our most valued suburbs, the leafy Newstead, with only a short drive to all amenities guarantees you will enjoy every moment of this quality home. This property is available Fully Furnished (with amazing wares, and linens excluded). Available: 10th April 2024 Lease term: 12 months. Pets: Unfortunately this property is not suitable for pets. To request a viewing of this property or receive an application, please submit an email enquiry and you will be notified of available opportunities and an online link to apply. We can't wait to help you secure your new home!
