For those chasing that lifestyle experience with no close neighbours than this one is the right one for you and your family... Situated approximately 20 minutes from town is this lowset brick, 4 bedroom family home on a very lush, fenced, 5,240m² block... Enjoy views of flowing cane fields and peace and quiet renowned with rural living... This property boasts a solid brick construction and fully air-conditioned for everyone's comfort... Inviting front tiled patio to enjoy your morning cuppa in peace before proceeding into the generous layout inside with great kitchen offering ample bench, prep and storage space with adjoining dining area and spacious lounge... All four bedrooms are of good size, carpeted, fanned and air-conditioned, and conveniently located near the internal bathroom amenities which include vanity, soothing tub and shower with separate toilet... This wonderful home also has the benefit of a very handy second shower and toilet near the downstairs laundry area which also includes handy storage space... There is generous garaged parking for the family vehicle which is also tiled and fanned if needed to be used for entertaining... The big yard is lush and great for the kids and pets and there is also the added bonus of a pump and bore... A 20ft shipping container has had an extension added and perfect for storage of mowers and trailers and other much needed necessities.... There's even a chook pen to make use of.... Priced to sell so don't delay in booking your immediate inspection in today...
