Have you been considering an escape to the country but can't decide between a seachange or a treechange? At 160 Stewart Road, you can have both! Set on a beautiful acre block and surrounded by farmland, this property enjoys some breathtaking views of the rolling green hills, whilst all just a 5 minute drive to the nearest boat ramp! From the moment you arrive, you will be impressed at the presentation and street presence of this brick homestead. Recently treated to a full renovation both inside and out, no stone has been left unturned and this property is truly move-in ready. The residence is solid and built to last with spacious rooms and large windows to flood in natural light. The star of the show here is the stunning open plan kitchen, dining and family room, all showcasing an unreal view of the hills in the distance. You'll love the abundance of storage space, huge walk-in pantry, quality new appliances and beautiful herringbone floors, not to mention the combustion stove for that touch of rustic charm! The main lounge is huge and has a central fireplace to keep you warm during winter. Quality new carpets throughout are plush and add a touch of luxury. You've also got a bonus sun room off the kitchen, an ideal kids retreat or entertaining area. Four oversized bedrooms are serviced by the magnificent family bathroom which is like something from a magazine! Beautiful gold fixtures, wall-mount vanity with stone top, freestanding bath and separate walk-in shower truly make this space special. Even the laundry has been treated with abundant storage space, stone benches and undermount sink, not to mention the beautiful gold fixtures. Stepping outside, vehicle storage is covered with a double carport attached to the home, a great sized garage and a huge machinery shed which could easily be enclosed if required. There is also a solar panel system to offset your energy bills. No expense has been spared on this home and every job has been ticked off including brand new windows throughout, new Colourbond roof, new paint, floors and carpet, new blinds, wiring and plumbing upgrades and beautiful gardens outside. If you're looking for a dream country retreat whilst still close to the beach, this is well worth a look - we assure you that an inspection will not disappoint!
