The sky's the limit in this luxurious apartment set high on level 16 of the landmark Vue in the heart of Bondi Junction's urban playground affording gun barrel views that stretch to the Harbour Bridge and Opera House as a captivating ever-changing backdrop. Crafted as a luxurious private retreat for the urban dweller, streamlined interiors are wrapped in walls of glass framing the spectacular vista that sweeps across the city to Botany Bay and transforms into a magical lightshow by night. A striking addition to the urban landscape, Vue brings a new era of luxury to Bondi Junction with a level of craftsmanship and amenity that's second to none between Bondi Beach and the CBD. Bespoke interiors channel a refined sense of elegance with organic curved lines, high-end finishes and a spacious layout with separate living and bedroom zones. Dine alfresco and enjoy the vista taking in the city's celebrated harbour icons, soak up the sunshine by the infinity pool overlooking the harbour or indulge in some retail therapy with Westfield's world-class shopping and entertainment precinct at the doorstep.
