With stunning 160 degree ocean views from Buchanan Point to Trinity Inlet this really is resort style living at its very best. This delightful property has 4 bedrooms to the main home with a further completely separate 1 bedroom fully self-contained unit on the ground floor. Total under roof is over 650 squares all set on almost 3 very private acres which back onto national parkland. The property has timber flooring throughout, two new kitchens, 2 new bathrooms and redecoration inside and out. Top of the range European appliances and granite bench tops throughout the kitchens and bathrooms. With fantastic views, a paddock behind the garage, under cover parking for at least 6 vehicles and a lawned area in front of the house, this property really does have something for everyone.
