Looking for a cutting-edge city apartment? The curved architecture at Melbourne Village showcases the city in a spectacular fashion. This bold design illuminates the city lights from a 2-bedroom apartment nestled between the CBD and the waterfront. The clever layout features open-plan living connecting the two bedrooms, with elegant Calacatta-inspired stonework in each of the bathrooms. A balcony offers breathtaking views from this beautiful apartment tower on the edge of the CBD. What sets this apartment apart is access to Melbourne Village's central gardens, cinema, library lounge, gym, indoor pool, and bike storage, allowing you to fully embrace the freedoms of apartment living. This vibrant city location places you within walking distance of universities such as RMIT and Victoria University, Flagstaff Gardens, Queen Victoria Market, Southern Cross Station, Chinatown, Marvel Stadium, and Docklands Harbour. You'll also be surrounded by numerous cafes, restaurants, bars, and shops that make Melbourne the foodie and fashion capital of Australia.
