Set on a sizeable corner allotment, the home itself showcases four bedrooms (with built-in robes) complemented by a private ensuite and main central bathroom – both with stone-top vanities and floor-to-ceiling tiles. Enhancing its family credentials is the inclusion of a dedicated study with integrated workstation, front lounge, rear living area, formal dining and granite-bench kitchen complete with quality cooking appliances and Bosch dishwasher. Other stand-outs include ducted heating and evaporative cooling, additional split-system a/c and wood heater (both in the living area), along with an alarm system, custom cabinetry and large laundry. Bi-folds reveal an entertainer's paradise including enormous alfresco area with wood-fired pizza oven, dual rotisseries, Gaggenau grill and hotplates, plus an over-sized four-car garage with hoist and additional tandem double carport. Bus stop around the corner along with the convenience of Westfield Shopping Centre, it's also close to Matthews Avenue trams, St Christopher's Primary School and local kinder/childcare facilities, as well as easy access to the Tulla Freeway and Ring Road.
