Evolution on Gardiner - a haven of space and light with breathtaking harbour views, on the quiet side of town. Impressively large 3 bedroom designer home on Level 16. Fully furnished, including kitchen fit out. Born of a vision to provide truly spacious 3 bedroom designer homes with an international standard of finish Evolution on Gardiner is the Landmark building of Darwin. The combined expertise of an award winning high rise specialist architect and an award winning local builder ensured the finest residential address in Darwin. The careful orientation of the building maximizes the beautiful harbour views and the benefits of our prevailing breezes and minimizes the effects of the hot afternoon sun. The apartment has smart home building technology and security, two (2) opulent bathrooms, fantastic kitchen, huge balcony, exceptional cross ventilation, full air-conditioning, includes a study nook, a large laundry, 2 secure car bays and a walk-in lock up storeroom. The three (3) Bedrooms have carpet and the rest has stunning polished tiles. Building features include a 1,200 square metre recreation podium deck on Level 5 with a resort style lagoon pool, a gymnasium, a residents lounge, a games room, barbeques and sun and shade decks. There is even an air-conditioned residents hobby workshop on Level 2. Please note apartment is furnished. BYO linen. Photos are indicative. For your viewing call Andrea on 0413 787 188 today! Please note applications are through the realestate.com.au app. You can apply at any time but need to view the property in person or through a video tour arranged with agency before lease can be issued.
