EOI from \$689,000

I know what you're thinking...A stunning original worker's cottage with 3 bedrooms, 1 good sized bathroom, large open plan living dining area opening onto your own private deck with valley views. Recently improved with new flooring, 3 new split systems and double glazing to name a few, all located in the heart of Perth's best kept secret...The Bickley Valley wine region. You think this is out of your price range, don't you? What if I told you that it's not... It may seem hard to believe that you may actually have found the perfect home, in a picturesque wine region that is still within your budget. The current owners have done plenty of work to the home in their short tenure but a new unforeseen adventure is taking them elsewhere. This is an original 1950s worker's cottage, with original jarrah floors in the hallway and a fully working original Metters stove in the kitchen (now that's something you don't see often anymore). You enter the property through a cosy veranda which leads to the idyllic cottage kitchen. There has been a large extension added to the home with a large living and dining area, seamlessly opening out onto a gorgeous raised deck area for your own private views to the valley below. The master bedroom also has access to this deck and it too has lovely views. The owners have lovingly updated the home, changed flooring, added double glazing to the main living and main bedroom areas and also added 3 brand new split system air conditioners throughout the home. The home has 3 generous bedrooms and a good sized bathroom. Kitchen is functional and has plenty of room to grow if you choose to add more storage. This charming cottage is move in ready and at the same time oozes potential. Storage won't be a problem either as there's a large garage with a roller door and a smaller shed for all of your gardening tools. Arguably one of the best parts is a separate timber stud built 6m x 3m workshop which can be easily insulated and clad inside to create the perfect home office or studio. This home is looking for its new custodians to love its originality and character just like the previous owners have. I have a feeling that this won't last long, so call me now on 0451 781 943 to arrange your own viewing.
