Fabulous 1 acre cleared building block in Turtle Cove. Mostly flat with elevated building area in the top corner and superb sweeping water views over The Great Sandy Strait and world heritage listed Fraser Island. Across the road is all nature reserve and cannot be built out! The property can be sub-divided as a Battle-axe style subdivision and has underground power, town water and NBN. Close to local shops, public boat ramps and K'Gari ferries and short drive to the sparkling beaches of Hervey Bay. Great buy!!!!
