As you pull up kerbside you understand you are about to see a quality built home with the neat presentation. Circa 1993 brick home of 4 bedrooms, 2 bathrooms including master bedroom with a walk in robe and ensuite. At the front of the house is a spacious formal lounge whilst in the centre of the home adjacent to the kitchen is a family room. There are brand new carpets, air-conditioner is serviced in readiness for the new family to be comfortable. Tucked behind the roller door is the private rear yard with 4 bay shed, area which could suit a fire pit (was once a swimming pool now non-functional) plus entertaining area under the pergola from the family room. This property is a true family home that was built to last and has had endless years of love making it a true home. It would suit multiple people and is a must to see. If you are looking for a true home to call your own give Sophie Tod a call for further information and to book your viewing.
