Positioned in a prime high demand location, in the Historical Jacksons Hill Estate, this exceptional block of land holds commanding uninterrupted views over the region including the picturesque Macedon Ranges. The corner location provides unparalleled access to the land and is a rare opportunity. You will be located in a bluechip pocket where home values are rapidly increasing a prestigious growth corridor of Melbourne's north west. Titled and ready to build on, this location is within walking distance of parks including Galaxy Land, the highly favoured Sunbury Primary School zone, local shops and public transport. Larger blocks are becoming somewhat scarce and with approx. 1320m<sup>2</sup> the building opportunities are exceptional! For further information contact Adrian.
