Yes-we've had a kitchen fire-so we are looking for a home handyman or an astute builder to take on a project to repair and profit.The rest of the home is solid, it just needs a new kitchen, including a new ceiling. A split-level home, there are three bedrooms on the upper floor and several rooms on the lower level.At the rear of the home is a separate granny flat. A smart tradesman would reside in the flat while he or she repairs the damage. This could become an extremely good investment.This home must be sold-all offers will be presented- phone JAN LEE on 0408 777 437 for a private viewing.
