An Eden-like retreat where bountiful flora, lush grass and a sunny veggie patch thrive, this wonderfully sizable garden – a rarity in Melbourne’s inner suburbs – will beckon with its revitalising tranquility. It won’t be long before you’re enticed outdoors with your morning cuppa, after-work tipple or to entertain guests and throw vibrant kids parties. So wonderfully insulated by nature, it’ll even whisk the sound of the property’s bustling main road frontage away.Back inside you’ll find three bedrooms: two at the front, one with ensuite; and one larger and brighter room towards the back looking into the backyard (with potential to be a serene home office), while the bathroom has been cleverly renovated to include a European laundry that seamlessly integrates with room’s the shower and bath, vanity and separate toilet – all accessible from the backyard.Final touches include central heating, split system air conditioning and large garden shed, plus street parking.Positioned in a fabulous Northcote pocket – and on the cusp of Thornbury and Alphington no less – you’ll be, quite literally, moments away from every one of life’s comforts and necessities. You’ll fall within the catchment areas for a number of schools; have a choice of busses, trams and both Mernda and Belgrave train lines; easy access to All Nations and McDonnell parks, and walking and cycling trails throughout Merri Creek and Darebin Parklands; and the abundance of shops, cafes and restaurants to be found along High Street and Darebin Road and in the backstreets beyond.To arrange a time to inspect, please click on the ‘EMAIL AGENT’ link to register your details.
