Welcome to this 3-bedroom, 1-bathroom property with a large modern kitchen and a generous 1-hectare block of land. It offers a unique opportunity for those willing to invest a bit of love and customize to your liking. As you step into this home, you'll find a spacious and modern kitchen equipped with all the essential appliances. The property boasts three bedrooms, providing ample space for a growing family, guests, or even a home office. The split system in place ensures year-round comfort, allowing you to stay warm in the winter and cool in the summer. The expansive 1-hectare block of land offers the potential for a variety of outdoor activities, gardening, or even the opportunity to create your own personal oasis. While it may need some attention and care to reach its full potential, this property provides an excellent canvas for those with a vision and a desire to make it their own. The property is also equipped with solar panels and battery storage, recently installed to enhance energy efficiency, as well as a large shed for all storage and hobby needs. With a little TLC, this home has the potential to become a true gem, and you'll have the satisfaction of turning it into your dream space. This property is priced to sell, so contact our agency to arrange an inspection!
