## The ENTERTAINER!

From the moment you enter this magnificent family home you cannot escape the feeling of space with an open plan living/ dining and second living room which transports you through to the magnificent Australian style conservatory. Ideal for either the intimate dinner for two or entertaining the whole family.

This property has it all starting with 4 good size bedrooms, 2 bathrooms, 3 toilets, and a large double garage with plenty of room on either side of the cars for your DIY and hobbies. Not to mention the great 6mx6m shed.

There is plenty to do and see on this well established 6,000 square meter block which has been designed with the purpose of living in mind.

The garden consists of so many different types of fruit trees (there are just too many to list!), an array of different areas to walk, places to explore and a kitchen garden ready for you to develop your green thumb.
