## **\$350 per week**

This four bedroom home will astound with it's true river frontage. Even in Winter the views are stunning. In the Summer enjoy outdoor living on the large deck and watch the family have fun in the water or you may even see a platypus. The home boasts an eat in kitchen with French door access to the deck, a large lounge room with freestanding wood heater and NBN connected, and four bedrooms with the main having built in wardrobe and the smallest having a built in desk. The extra large shower will impress as well as the small back porch, ideal for a mud room. With an older style garage and garden shed, storage isn't a problem. The Westerway Train Station is across the road (not in use), walking distance to the Primary School, shops, The Possum Shed cafe and Westerway Raspberry Farm. Close to Mt Field National Park, Maydena Bike Park and only 30 minutes to New Norfolk.
