Contained within a small enclave of just 28 residentially zoned villas, this 2 bedroom resort style villa is a short stroll from Four Mile Beach, local cafes and a short drive from Macrossan Street, schools and any amenities you may find yourself in need of. Entering the front door you are greeted with vaulted ceilings and large windows creating a bright, naturally lit modern townhouse. The living areas flow throughout the bottom storey, with cool colour features to suit the tropical surroundings. The large kitchen has wrap around stone bench tops, ample storage and overlooks the resort pool through large windows. Downstairs also features a generous laundry and second bathroom. Upstairs the two spacious bedrooms have built-in wardrobes for storage. Both bedrooms feature a lagoon pool and lush garden outlooks, with one offering a spacious balcony. The bedrooms share the upstairs bathroom with vanity storage and a walk in shower. Stepping out of the back door you have your own private patio, surrounded by established gardens and easy access to the pool straight from your back gate. The complex also features a communal BBQ area shared with the neighbours in this peaceful community. Contact Steve Doble 0411 399 344 to arrange your inspection. At a glance:
