\$452,000

Experience easy living in this distinctive self-sufficient residence, offering an innovative and one-of-a-kind living experience. Set amidst the beautiful coastal landscape, this container property blends recycled materials and imaginative design concepts, resulting in a home that exudes eco-friendly charm and charisma. Positioned on a fully fenced 1061m² allotment, this property invites you to embrace a relaxed lifestyle surrounded by the enchanting beauty of nature. Native trees, a vegetable patch, and a variety of fruit trees create a serene backdrop. Step inside and be captivated by the creatively crafted interior, showcasing a unique adaptation of shipping containers transformed into a functional and inviting living space. The tasteful incorporation of recycled wood infuses the home with warmth and rustic elegance, creating a captivating and cozy ambience. With three rooms and the potential to convert the shipping container at the front into an additional room, this property offers flexibility and ample space to suit your preferences. The seamless open-plan layout ensures comfort and convenience, allowing for an effortless flow between living areas. The thoughtfully designed kitchen features a practical benchtop and gas stove. The bathroom provides a haven of comfort and convenience, while an external shower awaits to rejuvenate and refresh during your coastal retreat. Rest assured, this property has council approval and includes water and sewage connections. Harnessing solar energy, the panels generate 2 ½ kW of power, making it an ideal choice for a small domestic system. Don't miss this unique coastal gem that offers a sustainable living experience. Contact Clare from Clare Estate Agents to register for one of our open home events or schedule a private viewing.
