Here's an exciting opportunity to purchase acreage within the town boundary (approx 6.8 acres). With fabulous views, a low density residential planning zone and town services, this could be the perfect place to build your dream home and have the benefit of privacy and space - your own patch of paradise on the beautiful North West Coast of Tasmania. The convenience of town living combined with the benefit of acreage, room to run a few head of cattle and kids to play. Access to the block is via an easement on the adjoining property situated at 166a Old Surrey Rd. The adjoining home on (approx 2.89 acres) is also for sale giving the option for both properties to be purchased as a package. Call Wendy for more information or to arrange your private inspection.
