Combining expansive family living with renewed contemporary appeal, this genuine 5-bedroom home marries its endearing country charm with a refined modern edge on a generous 1011sqm (approx.) allotment. A full-width entry verandah welcomes you into a sunlit lounge and dining area, effortlessly wrapping around to a stone-look kitchen with pressed metal splashbacks, modern appliances and abundant bench and storage space. Family functionality is enhanced with a second lounge, revealing the first of two accommodation zones, each served by striking modern bathrooms for near-immediate convenience. A sprawling backyard offers a canvas for endless outdoor possibilities bathed in natural light, highlighted by a significant garage/workshop with an adjacent double carport, ideal for the tradesperson or DIY enthusiast. Complete with solar power and refrigerated heating/cooling, it sits just metres from Lornas Triangle Bushland Reserve and Bittern township, giving way to rugged Westernport Bay beaches and the refined Peninsula hinterland.
