230 acres of prime coastal grazing on offer in the Koumala range area. All cleared and well established to variety of tropical pastures. Bolingbroke Creek forms the Southern boundary providing permanent water. Fenced into 4 paddocks with timber post and rail stockyards. Horse yards and stable nearby. 4 dwelling houses will provide plenty of accommodation for intergenerational family or workers or additional substantial weekly rental income. Ample machinery garaging and workshop in the form of several sheds. Situated just 1 hour from the Bowen Basin mining precinct and 30 minutes Southwest of Sarina Koumala shops and primary school just 15 mins away.
