Cute as a Button

This two bedroom cottage could be the end of all your searching. A warm and friendly lounge room greets you when you walk in and boasts a slow combustion wood heater, stone feature wall, and timber floors. The main bedroom includes a built in wardrobe and split system for year round comfort. The kitchen is functional and includes good storage, whilst the bathroom has been renovated with shower and toilet. You will enjoy afternoons sitting on the rear deck, taking in the view of the CBD, or perhaps you will prefer sipping your morning coffee on the front verandah, watching the world go by. The choice is yours.
