\$795,000

Set in the heart of the Valley, Terrace Green is a new way of celebrating the Fremantle lifestyle with your own architecturally designed home amongst an established, vibrant community. Honed from carefully selected enviro-friendly materials providing naturally cool / warm seasonality, each home is bursting with individual bespoke styling, form and function set amongst village-green open spaces. Designed by local Fremantle architects and available to buy off-plan now, choose from two or three-bedroom, two-bathroom homes with a variety of designs to suit a myriad of lifestyles. Each terrace features natural limestone finishes, crisp architectural elements and quality finishes throughout. Terrace Green promises an elegant living environment with high vaulted ceilings, a private balcony and front and rear pet-friendly courtyard gardens. Perfectly designed for comfortable, year-round living and entertaining, each Terrace Green home offers comfort, convenience and style close to the heart of Fremantle. • 2 x 2 terraces - from \$665,000 • 3 x 2 terraces - from \$800,000 Please note: all images are artists impressions. Terrace Green is currently under construction.
