This freshly renovated four bedroom home will leave you amazed at just how much your money will get you in today's market. Positioned on one half of a block that has approval to subdivide into two quarter acre blocks, you could keep the current home, shed and yard and sell off a block or keep it all and have plenty of space to do what you want! The home itself is completely renovated throughout and boasts four bedrooms, large functional kitchen, two living areas and a gorgeous bathroom and second toilet in the laundry. The backyard is level and spacious and lends itself perfectly to build another large home and shed combination if you decide to subdivide. Situated a couple of minutes walk to all that Uranquinty has to offer including a pub, servo and chemist and only a 10 minute drive into the Wagga CBD, this could be the one you've been waiting for!
