\$430,000

This home must be sold! My clients have been forced to make a huge reduction in the sale price, dropping \$50,000 due to ongoing health issues. Located in a quiet crescent within walking distance of shops and the school, this brick veneer home has much to offer. It is situated on a 1037m² corner block with a double garage and carport. Lovingly maintained and lived in by my clients for almost 15 years, it is now time to pass on the baton to a new family to live their island dream in the home. WHAT TO EXPECT WHEN YOU INSPECT: - Three bedrooms, two with built in robes - Ensuite and family bathroom - Separate lounge room with open plan dining/kitchen - Large kitchen with multiple workspaces and walk in pantry - Sunroom opening onto rear patio - Barbecue / entertainment area - Double garage incorporating the laundry and carport - Split system air conditioning and ceiling fans This solid home has great bones and would make an ideal renovation project whilst living comfortably as is. To inspect call me today. Macleay Island lies just 18 minutes from Redland Bay via passenger ferry and a further 45 minutes to Brisbane CBD or the airport. Our village offers all of the amenities you would expect including Post Office, medical facilities, ambulance and police officers, clubs and cafés, hairdressers and retail stores.
