Set in a quiet complex, this low maintenance, quality villa is in immaculate condition and ripe ready for the new owner to reap the benefits. From the moment you walk in the level entry, you'll notice just how well maintained this home truly is. The spacious and sun filled open plan living area is generous in size and is heated by a reverse cycle heat pump. The neat kitchen has plenty of storage space and is complimented with stainless steel appliances. The dining area connects seamlessly between the living area and kitchen, with views of Mount Wellington. The bedrooms are good in size and storage is not an issue having built in robes in both rooms. The bathroom has crisp white & complimenting beige tones with a separate shower, bath and toilet. The single car garage has internal access and room for storage under the house. Having a compact deck off the back, allows you to sit and soak in the serenity while taking in the view of Mount Wellington. The yard is secure and fully fenced, giving you space for kids and pets to enjoy. The complex is quiet and the grounds are well maintained. Close to schools, services and walking tracks. 17/210 Chapel will appeal to smart investors, ready to add to their portfolios, those seeking to downsize and first home buyers. Are you selling?
