This delightfully livable apartment sits on the mid floor of a low rise security complex located in a quiet upmarket precinct. Boasting split system air conditioning and timber laminate floors to living spaces the combined lounge/dining feels decidedly spacious. The carpeted bedrooms have just been steam cleaned, feature built-in robes and are generously proportioned. Key features of this property include: 2 generously sized carpeted bedrooms with built-in robes Modern spacious kitchen with gas cooking and loads of bench space L-shape combined lounge/dining room with the feel of a grand apartment Modern and highly functional bathroom Neutral toned timber laminate flooring to living spaces Low rise security complex with intercom Quiet location in upmarket precinct Ultra convenient to local transport, shops and conveniences Easy access to Bi-centennial park by car, bike or walking.
