Whether you're a first home buyer or a savvy investor, this stunning low maintenance family home in the popular and convenient location is the home for you. Presented immaculately both inside and out, the property offers three bedrooms, with built in robes and master with BIR and ensuite. The living area features a gorgeous updated kitchen with gas cooker, large oven, range hood and pantry, overlooking a generously sized living and dining area. Step outside to your stunning low maintenance yard for entertaining all year around. Situated on a 204m² approx. allotment, within a peaceful location while also maintaining convenience being walking distance to public transport, local shops, both primary and secondary schools and Watergardens Shopping Centre/Train Station. Other features include, double car garage with internal access, 3 toilets in total, ducted heating, split systems all in a fully secure / gated estate with pool and gym facilities
