Viewing by Private Inspection This home is a great opportunity to get into the popular and friendly Clinton Court Development. Conveniently located, the property is within a five-minute walk to school, on frequent bus routes and around a fifteen-minute drive to Hobart. The property is in immaculate condition and would be a great opportunity for both the investor and home buyer. Designed as a spacious two bedroom, the open plan style has been used very successfully to create an excellent living space, while still retaining separate areas within the home. Storage options are well above average, with the large internal garage a major bonus. The rear yard is well fenced and private. Plenty of room for pets and relaxing, with ample space for the keen gardener. If you are in the market for a modern, convenient, low maintenance property in pristine condition, this home is for you.
