\$693,000

a rare large block which is nestled in an established street, this solid home presents a good opportunity for investors, first home buyers & downsizers. Immersed on a 984sqm block of land with great size access to the rear yard, outdoor entertainment space and sprawling yard with loads of potential. Features includes: * solid brick and tile construction, set in a quiet Worrigeer residence. * open plan living space, with well-appointed kitchen overlooking the rear yard. * recently upgraded flooring throughout * three functional bedrooms, all include built in robes, carpet and ceiling fans * modern renovated bathroom * double garage, side access to rear yard. * fenced rear yard, complete with large garden shed on concrete slab. Additional features include, Sungrow 8KW inverter, 20 x Solar panels, reverse cycle air-conditioning, slow combustion wood fire, generous undercover entertainment space, within walking distance to Worrigeer shopping complex, medical centre, bus stop, and within minutes' drive to local schools. This house could be your next home, contact Ashleigh for more information or to arrange an inspection.
